Pelican Playhouse Funnies **3 hilarious short plays for the whole family:**

The Tortoise and the Hare
(from the play *Aesop Remixed* written by John Biscello in cooperation with Drama Notebook) Join us for an updated, hilarious (and short) retelling of the classic tale about an overly confident hare. On your mark, get set, go!

Bad Auditions by Bad Actors
(written by Ian McWethy) A casting director has one day to find the leads for a community theater production of *Romeo and Juliet*. But what seems like a simple task proves impossible when the pool of actors is less than ideal (and very funny!)

Haters (written by Don Zolidis)
The school recycling program is garbage. But when megastar Taylor Swift issues them a challenge: recycle 20,000 cans in two weeks and she'll sing at their dance - the school leaps into delirious, ill-advised action. Will they make it? Find out in this fun short play.

Performed in the Rebeca Sosa Theater located on the second floor of the Miami Springs Community Center, 1401 Westward Drive Miami Springs FL 33166
